

What a powerful word from Mr Allan Connelly at school assembly

Peace

Children from the DRC & Kenya's answers to the questions about peace.

"The world should stop the war in the Democratic Republic of Congo so that my country may develop," said Raphael, age 11. He lost both parents in the war.

"I pray for peace in the DRC, and for wisdom for the leaders so that peace may prevail in the country," said Mpenda, age 9, who lost her father and many of her friends and relatives.

Hope for you the orphan,
Hope for you the street child,
Hope for all the uprooted people,
Hope for all the Congolese.
Let us announce this message of peace
In this world of troubled mornings.
Let us announce this word of peace.
Satan has deceived us
With empty promises,
And we are left lost and hopeless.
Our loved ones have died with sorrow,
O God our Lord!
Our hearts are full of distress,
O God our Lord!
O, war is evil!
We want peace,
Yes, we want peace, and
Reconciliation

Christian Education

True Christian education is not true or false. It is not isolating students from human knowledge. It is a negative thing; it is not a matter of isolating the student from the full scope of knowledge. Isolating the student from large sections of human knowledge is not the basis of a Christian education. Rather it is giving him or her the framework for total truth, rooted in the Creator's existence and in the Bible's teaching, so that in each step of the formal learning process the student will understand what is true and what is false and why it is

By Francis A. Schaeffer

Grade One's had a great Class Field Trip to the SPAR bakery.

Volley Ball

The Volley Ball court is well on it's way to being finished

(thank you Lord). A **big thank you** to Janine & Volker Bachle, DenRon, Van Rooyen Plant Hire and KK Sand for making this possible. The vision of the court is to make it possible to host regular Friday games against other schools and local teams. It will also give us the necessary game experience to do very good at next years convention.

Volleyball Match between Convention team and parents! Friday, 11 November, after school! Come join the fun!

Gymnastics

Francois de Klerk took part in SA Gymnastics in Cape Town 5th September. He did very well with a second in vault and fourth overall.

Well done!

Swimming

Swimming gets going with our new coach, Gareth. He is confident that our juniors will be able to swim within the term (be water safe). What a turn around for many of the students that were so afraid or not confident enough to get into the water.

Luke Grade Two: I enjoy board kicking, I just don't like getting wet!

Feedback

Timia Grade Five: Gareth is cool, he is serious about what he does!

Awonke Grade One, "I like to go under the water!"

Talia Grade One: I like to go under the water but my favourite part is to float!
